Date of Loss: March 24, 2000
Personal injury

Dear Council Members:

Please be advised that we have been retained to represent the above-referenced client regarding his personal injury claim.

Mr. Gray, while waiting in the detention area at Grady Hospital, received bodily injuries as a result of an Atlanta Department of Corrections officer hitting him, with his fist, in both ears. He received medical attention which indicated he sustained a punctured eardrum. Mr. Gray claims that the incident was the result of the negligence of the corrections officer who was an employee of the City of Atlanta.

Please acknowledge receipt of this notice in writing and contact us to discuss a resolution. We will forward any citizen complaint statement, medical reports, bills, and special damage information to any person you may request in order to expedite this matter.

Sincerely,
